**THE REGISTRY COLLECTION PARTNERS WITH RAIMONLAND TO  
UNVEIL THREE NEW LUXURIOUS RESORTS IN THAILAND**

**SINGAPORE (October 9, 2009)** - The Registry Collection®, the world's largest luxury exchange program and one of the Wyndham Worldwide family of brands (NYSE: WYN), today announced new affiliations with Raimon Land to add three new resorts to their worldwide network of more than 100 luxury accommodations.

The new resorts include **The Heights Phuket**, **The River** in Bangkok and **Northpoint** in Pattaya, conceived by renowned designer Hans Brouwer, founder of HB Design and a former protégé of Sir Norman Foster.

"This is the first collection of properties for The Registry Collection in Asia, and we are extremely excited with this partnership with Raimon Land. These three extraordinary properties boast unique features that epitomize a diverse luxury vacation experience we offer our members through this elite global network," commented Geoff Ballotti, President and CEO, Group RCI.

**The Heights Phuket** is nestled atop the hillside above Kata Beach with stunning views of the Andaman Sea, inspired by a contemporary expression designed to complement the site's unique natural environment. The units have large open terraces, expansive living areas, and the seamless spill-over of indoor into outdoor spaces, reflect the modern-Asian design of the site. There is a wide range of recreational choices at the club house, including a fitness centre, a free-form infinity pool, lap pool, kid's pool sun deck and Jacuzzi – a culmination of visionary island-living.

**The River** in Bangkok offers an unrivalled choice of condominiums, lofts and penthouses in two unique and iconic towers. The prime location along the Chao Phraya offers commanding unobstructed views and the units are espoused to create an environment of unprecedented privacy and exclusivity. Facilities include state-of-the-art fitness centres, sky gardens, riverfront infinity pool and 50-meter lap pool complete with superb dining and entertainment experiences on the riverfront podium and terrace.

**The Point** in Pattaya soars above the sands of prestigious Wong-Amat Beach with easy access to world class amenities, a wide variety of recreational and entertainment choices, and over 20 championship golf courses. The Point features an exceptional mix of residences from 1-3 bedroom luxury units to breathtaking duplexes and penthouses. Residents can choose to indulge in its tiered horizon pools, relax on spacious sun-drenched decks, enjoy lush gardens, sail away to island hideaways, explore endless water sports options or savour exquisite cuisine at the al fresco dining or the breathtaking Sky Gardens.

"We are very proud to add this portfolio of luxury resorts to The Registry Collection," said Gregg Anderson, VP and Global Managing Director of The Registry Collection.

"Our goal is to offer our members the finest vacation destinations in the world, and our partnership with Raimon Land ensures that our members receive exactly the world-class luxury travel experience they desire."

Adrian Lee, Managing Director of Group RCI in Asia, is very excited about the new addition to the portfolio. "The Registry Collection represents superbly-appointed accommodations at the most desirable resort destinations in Asia. The style, feel,

design and sense of place of these properties in Thailand are in essence what The Registry Collection is all about. We are very pleased to be able to announce our first affiliate in the Asia Region, and look forward to working with Raimon Land to achieve strong growth throughout the region over the next few years.”

“We are excited to be working with The Registry Collection,” said Hubert Viriot, Chief Executive Officer of Raimon Land. “They will provide our owners with access to some of the world’s finest vacation properties. Being included in The Registry Collection’s portfolio is important to us, as the affiliation with them also further proves that our resorts are amongst one of the best and finest luxury vacation destinations in the country.”
