

# YOUR DEPOSIT. YOUR TRADING POWER YOUR OPTIONS.

When you Deposit, you give your vacation week at your home resort to RCI in exchange for a vacation at a different location or time using your RCI® Subscribing Membership. It's the first step toward getting on vacation.

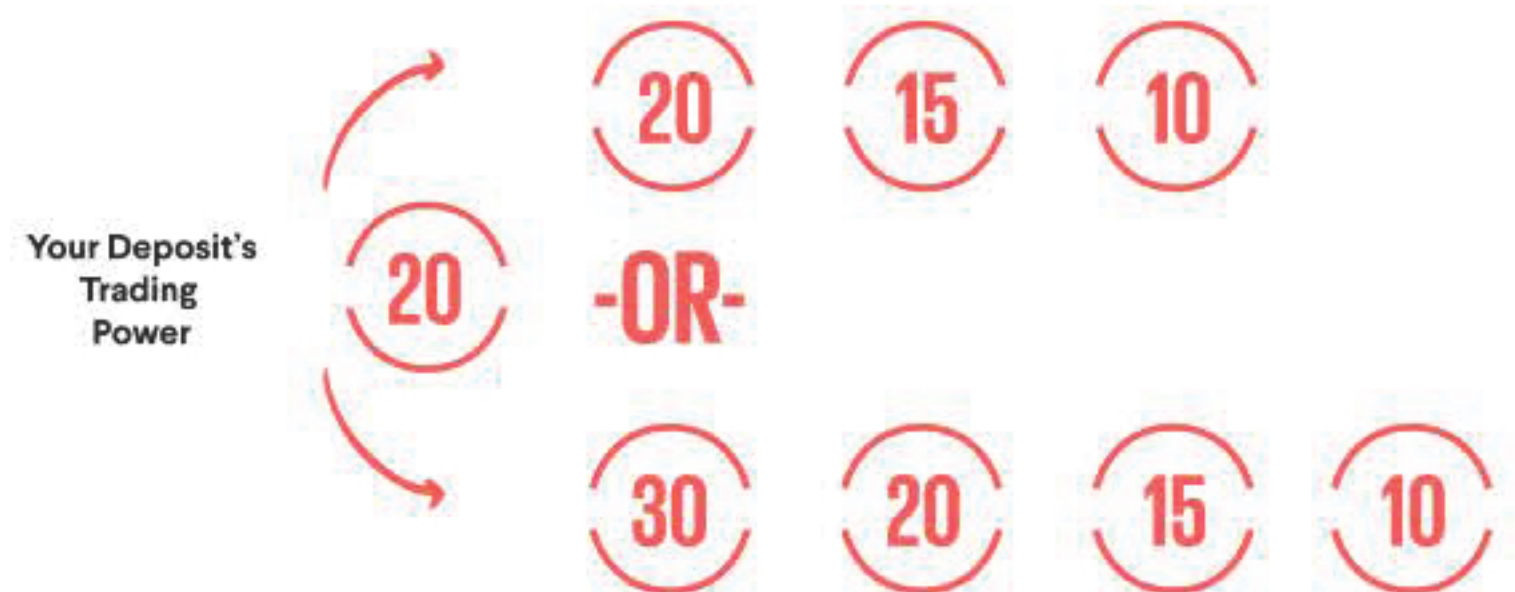

Once deposited, your Week is then assigned Trading Power, which gives you options to:

**Use your Exchange vacation's Trading Power for another Exchange vacation.**

**Combine with another deposit to book an Exchange vacation you didn't have access to before.**

**Exchange vacations you may see if you search vacations with equal or less value than your Deposit Trading Power.**

**Exchange vacations you may see if you search ALL vacations.**
